Come down off your throne, leave your body alone
Somebody must change
You are the reason I've been waiting here so long
Somebody holds the key

But I'm near the end and I just ain't got the time
And I'm wasted and I can't find my way home

Come down on your own, leave your body alone
Somebody must change
You are the reason I've been waiting here so long
Somebody holds the key

But I'm near the end and I just ain't got the time
And I'm wasted and I can't find my way home
