I keep on runnin', baby  
I keep on runnin' but I just can't hide, no, I just can't  
hide  
I keep on hurtin', baby  
I keep on hurtin' so deep inside, so deep inside

Lord, I need your smile, child, like the one I once knew  
Made my grass green and my blue skies blue  
Love was a time when two was one  
Tell me now, girl, where've all the good times gone

Love, say, I'm gonna cry me a river  
Wash my blues all away  
I'm gonna cry me a river  
Girl, you're my riverboat, oh yeah  
Baby, take me away

I'm reachin' out my hand  
Won't you please help me to my feet once again, oh,  
once again  
Tears fallin' like rain  
Lord, it's a time when everybody needs a friend  
Now girl, where've you been, yeah

Lord, I need your smile, child, like the one I once knew  
Made my grass green and my blue skies blue  
Love was a time when two was one  
Tell me now, girl, where've all the good times gone,  
yeah

Girl, say, I'm gonna cry me a river  
Wash my blues all away  
I'm gonna cry me a river  
Girl, you're my riverboat, oh yeah  
Baby, take me away, oh, take away, child

Oh no, I feel I'm gonna cry me a river  
Wash my blues all away  
I'm gonna cry me a river  
Love, wash my blues all away

I'm gonna cry me a river

Wash my blues all away  
I'm gonna cry me a river  
Girl, you're my riverboat, oh yeah  
Baby, come take me away
