Holy And High
The Engines Start To Grind
The Shotgun Speaks The Final The Word
The Race To The End
Keep Killing All That You Can
Beneath The Ground What Can't Be Heard

Roads Paved In Flesh
The Bombs Which Have Been Blessed
The Blackout Through The Doom
The Race To The End
Keep Killing All That You Can
The Casket Which Fills The Room

Slither With The Maggots And The Worms Below
Warped Confusion Mental Illness Bestowed
An Inward View, An Outward Pass Is All You Can See
Disillusioned Warhead Of Reality

Gathered For The Feast
The Table Set For The Deceased
Hows The Dead No Peace No Rest
The Race To The End
Keep Killing All That You Can
Doomsday Calling 'Till Nothing's Left
