I am the God of electric hellfire and I plead you

Higher, higher
Higher, higher
Higher, higher
Higher, higher

You've got a suicidal death wish that's plain to see
Suicidal death wish bring it to me
Have you ever met Jesus, soon you will see
You're gonna meet Jesus if you're messing with me

Electric hellfire, higher, higher
Electric hellfire

This hand of doom that is holding you down
Say your prayers son, you're gonna drown
Stormtroppin' Jesus, you're gonna see
You're gonna meet Jesus if you're messing with me

Electric hellfire, higher, higher
Electric hellfire

Higher, higher
Higher, higher
Higher, higher
Higher

I'm still the God of electric hellfire
