You can laugh, you can feel FIRE.
You can dance with a little twist.
Tell your pretty red head babe
you forget that I exist.
CAN you see YOURSELF in my BED AT night,
Would you leave me at the side of the rode.
Would you walk right up to me, would you talk to me...

And I'm already asking, I'm down on my knees.
I'm already beggin', beggin' you please.

Chorus

Can you teach me how to fly?(C'mon)
Can you see I'm scared to die? (C'mon)
And we've only just begun to Learn to crawl.
Can you teach me how to fight?(C'mon)
Will you keep me up all night? (C'mon)
Will you be there on the ground if I should fall,
Fall for you.

I can feel it like the SPIDERS sting,
like a memory in my mouth.
I feel like the morning fell,
like the bottom's fallin' out.
I can SEE WHAT'S UP THERE ABOVE IT ALL,
Layin' down in the valley below.
I can walk right up to you, I can talk to you.

And I'm already asking, I'm down on my knees.
and I'm already beggin', beggin' you please...

Chorus

La, la, la, la.
La, la, la, la.
La, la, la, la.
La, la, la, la.

La, la, la, la.
La, la, la, la.
La, la, la, la.
La, la, la, la.

(Yeaaa)

Chorus
