My lost heaven  
has been turned upside down  
dead and buried  
is the joy that i once found  
my lost heaven  
has sought refuge down below  
ain't no ocean  
i wouldnt cross where i wont go

as i walk this world  
tired and alone  
got one foot in the grave  
lord, help me make it home  
i carry your pain  
my words bleed straight and true  
oh, if it leads me to you

My lost heaven  
as long as the rotted day  
strength through blood  
That one thought which bears my name  
dead and buried  
for the end has run it's course  
dogs of war,  
return never to be lost

as i walk this world  
tired and alone  
got one foot in the grave  
lord, help me make it home  
i carry your pain  
my words bleed straight and true  
oh, if it leads me to you

as i walk this world  
tired and alone  
got one foot in the grave  
lord, help me make it home  
i carry your pain  
my words bleed straight and true  
oh, if it leads me to you  
leads me to you

leads me to you  
leads me to you  
leads me to you
