The lights in the window is a crack in the sky  
A stairway to darkness in the blink of an eye

And levee of tears to learn she'll never be coming back  
The man in the dark will bring another attack

Your mamma told you that  
You're not supposed to talk to strangers  
Look in the mirror, tell me  
Do you think your life's in danger here?

No more tears  
No more tears  
No more tears  
No more tears

Another day passes as the night closes in  
The red light goes on to say, "It's time to begin"

I see the man around the corner, waiting  
Can he see me?  
I close my eyes and wait to hear  
The sound of someone screaming here

No more tears  
No more tears  
No more tears  
No more tears

{It's just a sign of the times  
Going forward in reverse  
Still he who laughs the last  
Is just a hand in the bush}

So now that it's over, can't we just say goodbye?  
I'd like to move on and make the most of the night  
Maybe a kiss before I leave you this way  
Your lips are so cold, I don't know what else to say

I never wanted it to end this way  
My love, my darling  
Believe me when I say to you in love

I think I'm falling here

No more tears

No more tears

No more tears

No more tears

{Is just a hand in the bush

In the, in the bush

In the, in the bush

In the, in the bush}
