I've tried, I've tried
(I've tried)
Oh, I've tried
I've been bought and sold
(And sold)
One, too many times

I ain't your puppet, no
And I ain't your steppin' stone
I should have looked before I jumped
I should have known

Out and down
(And down)
Lost and never found
Deaf and blind
(And blind)
Insane and out of mind

I ain't your puppet, no
And I ain't your steppin' stone
I should have looked before I jumped
I should have known

I ain't your puppet, no
And I ain't your steppin' stone
I should have looked before I jumped
I should have known

I ain't your puppet, no
And I ain't your steppin' stone
I should have looked before I jumped
I should have known

I ain't your puppet, no
And I ain't your steppin' stone
I should have looked before I jumped
I should have known
