Blind me, erase what was  
Stillborn I have become  
The feelings I once felt are now dead and gone  
I've waited here for you for so very long

So empty, just a shell of a man  
Stillborn, this I understand  
The feelings I once felt are now dead and gone  
I've waited here for you for so very long

I've waited here for you so long  
I've waited here for you  
For you

The feelings I once felt are now dead and gone  
I've waited here for you for so very long  
I've waited here for you so long  
I've waited here for you so long  
I've waited here for you so long  
I've waited here for you  
For you
