Disillusioned, pure confusion,
Where I'm rolling, never, never knowing.
Walkin' minefields, all is surreal,
Where I'm rolling, never, never knowing.
Walked out of my mind,
Don't wanna find, whatever's left.
Poppin' pills and drinkin' booze,
Smokin' everyday.
Stoned and drunk completely gone,
My world is here to stay.
Ain't no silence, constant violence,
Where I'm rolling, never, never knowing.
Demolition, crucifixion,
Where I'm rolling, never, never knowing.
Walked out of my mind,
Don't wanna find, whatever's left.
Stoned and drunk completely gone,
My world is here to stay.
Hide my fears and kill my doubts,
Whatever's in my way.
Poppin' pills and drinkin' booze,
Smokin' everyday.
Stoned and drunk completely gone,
My world is here to stay.
Walked out of my mind,
Don't wanna find, whatever's left
Stoned and drunk completely gone,
My world is here to stay.
Hide my fears and kill my doubts,
Whatever's in my way
Poppin' pills and drinkin' booze,
Smokin' everyday.
Stoned and drunk completely gone,
My world is here to stay.
