You couldn't feel the sunlight upon your face
Your little word
A little out of place
You couldn't hear the ocean
You couldn't hear the waves
I know you want to come back
I know you mean to stay
All you touched all you know all you loved
Well i can see your smile
Can you see my tears
I reach to hold you
But you aint there
You left a hole so big lord...beyond repair
Ill try to find forgiveness in taking what
Will never share
All you touched all you know all you loved
You just left them there with nothing to say
Chorus:
You're just throwin it all away
No you didn't care to see the light of day
You're just throwin it all away
Like the sand upon the beach
Your crashing waves come and took you away
