[Verse 1]

Dey always go crazy when we u do sumtin sexy like lick

But they just want realations they don't give a fuck
about realtionships
(boy dis da real world (not da show)
Its not da same
Gurls 15 to 94 no yo name
Everybody talkin bout how much u done changed
People try ta figure out wuts not da same
You feelin kinda strange
Except one thang

[Chorus]

Boy it just yo
BREATH
Its so stankie
Boy u got da body
But yo breath is kinda hottie so
Go brush yo teeth n
Git sum tic-tacs
N holla at me later

[Chorus]

Boy it just yo
BREATH
Its so stankie
Boy u got da body
But yo breath is kinda hottie so
Go brush yo teeth n
Git sum tic-tacs
N holla at me later
