Dreadful Shadows
"An Evening With Knives"

I'm not prone to change
Play out THE GAME like I'm supposed
But I watch you stride right to you goal
And I wonder WHY I don't know what you know

TAKE MY ACHE AWAY disguster
MAKE ME YOU TO STAY disguster
Take my doubts away disguster
Let's go play - L E T ' S G O P L A Y

I'd rather be that sheep and not have to play those
cards SO right
But I'd just lie if I liked YOUR LIFE
I'd live myself live it LIKE HELL

TAKE IT AWAY make me feel allright
TAKE IT AWAY get my nodes offline
TAKE IT AWAY sweet nothing sunshine
TAKE IT AWAY and I'll be fine

I wish I were stupid so I wouldn't realise
That i'm being fucked up the ass by life
I wish I were stupid so I wouldn't realise
That i'm being fucked up the ass by LIFE!

It never pays to be invisibly angry with you
To facilitate a life TOO smooth
But i guess I'll die for a bit of truth
'cause I can't believe that you can't lose
But you got me beat every time you move
You go for LIFE and I go for YOU
So I guess I use you as I choose

TAKE IT AWAY make me feel allright
TAKE IT AWAY get my nodes offline
TAKE IT AWAY SWEET NOTHING SUNSHINE
TAKE IT AWAY and i'll be fine

I wish I were stupid so I wouldn't realise
That I'm being fucked up the ass by life
I wish I were stupid so I wouldn't realise

That I'm being fucked up the ass by LIFE!

LIFE that you live without even a hint of misery IS
unacceptable
Since i never be LIKE all the other guys in despise
A no good immature piece of (s)hit BAD
When i figured out that the DREAM is dead
And it's all my kill
SO I'M PRETTY FUCKING FAR FROM BEING HAPPY WITH
MYSELF

I wish I were stupid - I wish I were stupid

I wish I were stupid so I wouldn't realise
That I'm being fucked up the ass by life
I wish I were stupid so I wouldn't realise
That I'm being fucked up the ass by LIFE!
