Someone better pay [pay]

Sick little noises driving me nuts
Someone take me out 'cause I don't have the guts
I don't understand was it something I did?
Can't I just be like all the other kids?

Happy and carefree why'd it have to be
There's always some new disease waiting to break free
I should be pure and clean
But I'm stained and it makes me scream

Watch the little freak roll sitting on his throne
Crying crying all alone

Someone better pay [pay]

Watch the little freak roll sitting on his throne
Crying crying all alone

Alone - afraid - a waste - in pain - insane
[lying in my bed wishing I was dead]
