Who the something?  
Who the someone?  
Who the nothing?  
Who? You everyone...

LOOK WHAT YOU MADE OF ME

Look inside, the beauty boy  
My needs reach way offline  
Only compared to yours  
Only prepared by your inability to communicate  
You make me me inside  
To take it away is right  
You want some of this?  
I gotta get pissed  
I just wish (I just wish)

NEEDS (3x)  
LOOK WHAT YOU MADE ME BE  
NEEDS (2x)  
LOOK WHAT YOU MADE ME BE  
NEEDS (2x)

And now it's over  
And now it's done  
Over nothing  
Over everyone  
Stare into my hollow eyes  
Leaks bleed ahead of time  
If I can't take from you what's mine  
I need you to

Give me what I'm entitled to  
Give me what I'm entitled to  
Give me what I'm entitled to  
What I've been waiting so long for  
What I can never have  
It's all I'm satisfied with  
All that I can live with  
All that's denied to me in the past  
Now if only I knew what

If only I got some clue to what it is exactly I crave  
Then I'd had to search out  
Find a way and go get  
And not have to sit around and NEED!

LOOK WHAT YOU MADE ME BE  
(Needs) NEEDS  
LOOK WHAT YOU MADE ME BE, BE  
NEEDS (2x)  
LOOK WHAT YOU MADE ME BE  
NEEDS

(Make me be)
