(Hold on tight this will only hurt for a little while)

You are but a child nonetheless for your insolence
Punishment must be served swiftly and decisively
Cause what you pulled is at best inexcusable
Punishment must be served
This will connect

This will hurt me more than it ever could possibly hurt
you
So you better not complain
I'll slap you again 'til you learn to behave

Do you feel wronged now? Do you feel sorry now?
You must understand that this is your
Own good punishment you deserve
To teach you respect

This will hurt me more than it ever could possibly hurt
you
So you better not complain
I'll smack you 'til I beat some sense into you
'Till I beat obedience into you
For as long as it takes

Until you learned your lesson, until you learned your
place
