No need to be here anymore
My door to heaven's finally come
Can't stick around for the parade
It's time to end this fool's crusade

THIS IS WHAT I WAITED FOR!
Take this home for me, take this home for me
SHAKE MY HAND FOR I WILL GO!
Take this home for me, take this home for me

I'll climb the ladder to the door
Peer inside to watch the show
And cleanse this world off of my skin
For then I've found what lies within

THIS IS WHAT I WAITED FOR!
Take this home for me, take this home for me
SHAKE MY HAND FOR I WILL GO!
Take this home for me, take this home for me

(I have seen the revelations
Seen the gardens of faith
I could tell you such stories
That I snatched from the grave)

Ballast undone
And free to go
Unnecessarily flawed my soul

(I can leave)

(YEAH!!)
I've watched me coming down
On the way of eternity
So - why I am I I not
quite " at " EASE

THIS I HAVE BEEN WAITING FOR????!!
Take this home for me, take this home for me
TAKE MY HAND AND TAKE ME HOME!!!
Take this home for me, take this home for me
