I wish forever  
(Oh, light and darkness)  
Baby, come go with me

I wish forever  
Take me to your heart  
(Oh, light and darkness)  
Baby, come go with me

Ureshii koto ga areba saisho ni hanashiteta no  
Ki ga tsuitara sono egao ni aitakatta

Futari dake no kinenbi kimetari suru koibito  
Nareru no ka na? Anata to nara tomodachi kara...

Niji ga kiete shimau you ni  
Kawara nai mono wa nai keredo  
Ai wa kitto kie nai  
Atatame aeru no nara  
Is this love?

Anata no koe ga sono kotoba ga  
Naze konna ni itoshii  
Sagashi tsuduketeta yumemita hito  
Ah anata ga sou na no?  
Kokoro ga ugoki dashiteru

I wish forever  
Take me to your heart  
(Oh, light and darkness)  
Baby, come go with me

I wish forever  
Take me to your heart  
(Oh, light and darkness)  
Baby, come go with me

Hikari ga todoku tame ni  
Kurayami ga aru no nara  
Kono kimochi wa nan no tame ni

Hitori PUREZENTO kakaete  
Kouen toori aruite yuku
