Boy I know you're a bit unsure
So I wanna let you know
That you, got me, baby I'm all yours
Gotta have you around
I don't wanna do without, you here
If you still don't get the picture

I'm crazy bout you (crazy) and I gotta have you
Cause I like the way you makin me feel boy for real
(boy I like the way)
I'm crazy bout you
(the way you make me feel)
Boy for real and
I, I gotta have you
I like the way you makin
me feel. Boy for real.

Can't wait to be alone with you
Heart is racing when you look, at me, baby
If I could, I would, wanna feel this way for good
You don't know just what you do to me
Baby I got to be with you

I'm crazy bout you (crazy) and I gotta have you
Cause I like the way you makin me feel boy for real
(the one forever) (boy you make me feel good)
I'm crazy bout you and I, I gotta have you
(you're my baby)
Cause I like the you makin me feel.
Boy for real. (boy I like the way)

I hope you really understand
Can't make it hard for you, to say, that we are meant to
be together
So before I let you, Go, there's something I think you
should, Know
That you, you got my heart saying

I'm crazy bout you and I gotta have you (I'm so crazy
bout you)
Cause I like the way you makin me feel boy for real
(boy I like the way)
I'm crazy bout you (the way you make me fell) and I, I
gotta have you
I like the way you makin me feel. Boy for real.

[P. Diddy]
Hey Yo! Hey Yo! Eve talk to me

[Eve]
I gotta hunger for the sexy daddy
Does that make me nasty?
I'm bein' real pop, you don't want it getting past me
You seein she the best that's made
And I'm curious about you must investigate
You see the lips on the dude might get me in the mood
But I watch the way you move with your whole attitude
You're the boss and I like it, can't fight it in the dark
When they come to you searching for the light switch
Writin' their rhymes I'm a make it come to life
At that time we gonna tie it down make E-V-E your wife
I've already been through a lot of fake bitches
I know what gets the women in a bomb shell baby
I found myself intimidated and I'm a go get it
scheduled to get stimulated
I'm goin crazy you the man that I need
And when I get you don't ever wake me up from the
dream

I like the way
I'm crazy bout you and I gotta have you (The way you
touch me baby)
Cause I like the way you makin me feel (you know you
make me crazy)
I'm crazy bout you (Boy I like the way) and I, I gotta
have you
I like the way you makin me feel. boy for real.

I'm crazy bout you (I'm crazy bout you baby yeah) and I
gotta have you
Cause I like the way you makin me feel boy for real
(you make me feel so good)
I'm crazy bout you (Dream 2003) and I, I gotta have you
I really want to be alone with you
I like the way you makin me feel. boy for real.
