Hashiri tsuzukeru bokuni genkai ga mietatokini wa
Mata kokokara hajimereba ii nigenai kara

Tatoe taisetsuna mono nakushite egao wasuretemo
Kitto itsuka waraeru hibi torimodoseru youni

Mainichi kenka naku onaji rizumude
Kizukeba nori okureteiruyo
Nanika motome tada nedaru dake
Ugoku koto naku kyou mo mata sugiteyuku kara

Genjitsu ni tomadotte mayotte shimau himo aruyo
Dakedo ima no boku wa erabu beki michi ga aru
Sonna ni yowakuwanai mada akirametakunaikara
Jibun no koto aiseru hi ga kanarazu kuruno darou
