Do (do you wanna dance)
Do you, want (cause I wanna dance)
To, dance, with me
Cause (do you want to dance)
I, want (Cause I wanna dance)
To, dance (c'mon) with (Dream) you

Something about (something about)
The way you move it baby
Got me losing my mind over you
(You, you, you, you, you)
And I like the way
When you're doing (when you're doing)
What you're doing (what you're doing)
Don't stop it baby, just dance with me

[Chorus:]

Do you wanna dance, cause I wanna dance
All night long baby, I wanna dance with you
Do you wanna dance, cause I wanna dance
(I wanna dance baby)
All night long baby, I wanna dance with you
(With you, with you)

I can tell you feel it too
Look out you're grooving boy
You're dancing, you're doing it
DJ just keep on playing it
So baby take my hand
Cause I really wanna dance with you
I want, do you

[Chorus:]

Do you wanna dance, cause I wanna dance
(I wanna dance with you)
All night long baby, I wanna dance with you
Do you wanna dance, cause I wanna dance
All night long baby (all night)
I wanna dance with you (dance...)

Dream
C'mon, c'mon, c'mon, c'mon

With you

Do you, want to, dance, with me
(C'mon, c'mon, c'mon, c'mon)
Cause I, want to, dance with you

[Chorus:]

Do you wanna dance
(I want to dance with you baby)
Cause I wanna dance
All night long baby, I wanna dance with you
Do you wanna dance
(Do you wanna dance with me)
Cause I wanna dance
All night long baby, I wanna dance
(Say you will, say you will, say you will)

Do you wanna dance
(Dream, dance)
Cause I wanna dance
All night long baby (c'mon, c'mon)
I wanna dance with you
(Do that dance, do that dance Dream)
Do you wanna dance
Cause I wanna dance
(Do that dance, do that dance Dream)
All night long baby, I wanna dance (Dream)

Do you wanna dance
Cause I wanna dance
(I Like This)
All night long baby (hmm)
I wanna dance with you
Do you wanna dance
Cause I wanna dance
All night long baby,
I wanna dance

Do you wanna dance (Dream)
Cause I wanna dance (c'mon)
All night long baby
I wanna dance...
