come and walk me to the car i gonna see you from
hereto there cant help but stare give me some insite,
no bullshit, a real conversation, put me in your block im
moving in i would love to be love snaper,if you dont
mind i dont mind do anything for just a fraction of your
love, and i know this may sound stalkerish, but its
because you are the shit, alright, if im attention be my
center ,if you're spring and summer if, you're fall on
winter, speaking of winter be my Febrary love love love
my love be my February love love love ,give me your
love give me your heart, promise we'll never be apart, i
knoe you used to make a nigga say oooooo ,promise
that will always be together, take a picture ill buy the
frame, let me change your car then change your name,
you are my destiny child now lets make us a destiny
child, girl rock with me im stuck with curiosity, im
positive that we are ment to be dont let them spoil you
with negetivity ,see we are ment to be for one baby
come and step in to my side before the cold takes it
away ,come and be my February love love love girl be
my February love love love ,
felt them in the driveway sittin on the courtside shawty i
aint new to this you better get used to this, 30 foot
cellings life style appiling ,check my 09' taxes i made
appealing, haters gonna kill it real niggas feel it
,dreaming on apearence ,they musta got a feeling ,ha
he so silly, dont mean to be rude but some of these
niggas aint got you, falling off fallow me girl these
niggas so scandalist ,these comedian shit dont stand
up these break up before holidays as niggas, these
Bentleys pretending as niggas, hell yea i already told
you niggas you're moda fucking haterz espaccially wen
yall lying about nigga motha fucking paper he poppin
champaign oh my God bet your mans all up on the TV
screen, dont own your clothes hell naw she aint got
more money than me just help me understand help me
conprehend matter of fact dont tell me shit she know
you're full of it its all i can say shes pulling me away
stay out my way they like my February love love love
she was my February love love love
