[The Dream]

Radio Killer!

Welcome to Radio Killer Records

Everybody's dating,

Until they learn to love you baby

[T.I.]

She a fast life liver with a ass like a stripper

In a relationship with a sucker (?) n-gga

So I get her and I give her what she want, want, Rod

I beat it up so good she be like "oh, oh God"

Sex better than she imagined

See that p-ssy through them panties

Got my d-ck rock hard

Like Medusa looked at it

Expensive tastes and lavish habits, lifestyle fancy

But she can't love two n-ggas at the same time, can she?

[The Dream]

You would sit out prettily (?)

Lil momma I just wanna give ya whatchu want

You done need somebody, up in your life

That can hold you all through the mothaf-ckin night

After the set

After the show

I'll be the one that loves you the most

Be my lady, I'll never make you cry

And I promise I'll love you long time, Come on!

[Hook - The Dream]

And you should see shawty from the back (Hey)

Ain't never seen a girl like that (Hey)

She said she had a man but I had to pursue her

He ain't never there, so she let me do her

Now I'm all up on her like "oh, oh"

Now she all up on me like "oh, oh"

Then she took my hand, and after that she said

"I just wanna fall in luck again, make me fall in love again!"

[Chorus - The Dream]

Aha, aha, oh yeaaaah
Can you make me fall in love again?
Aha, aha, oh yeaaaah
Iâ€™ma make you fall in love a-
I know you told me drop a stacks on your car
Tonightâ€™s on ya
Iâ€™ma make you fall in love again
I know you told me drop a stacks on your car

[The Dream]

Now lemme take ya, over those hands
Now Iâ€™ll make sure youâ€™ll always be in demand
By the house, or by the furniture
He just playin with it, but I ainâ€™t frontin ya (ohh)
Whenever you want, Iâ€™ll be there
Iâ€™ma make you my baby
No more drinks and love, love, love
In the club, club,
You will be the only one Iâ€™m thinkinâ€™ of

[Hook - The Dream]

And you should see shawty from the back (Hey)
Ainâ€™t never seen a girl like that (Hey)
She said she had a man but I had to pursue her
He ainâ€™t never there, so she let me do her
Now Iâ€™m all up on her like â€œoh, ohâ€
Now she all up on me like â€œoh, ohâ€
Then she took my hand, and after that she said
â€œI just wanna fall in luck again, make me fall in love
again!â€

[Chorus - The Dream]

Aha, aha, oh yeaaaah, she said
Can you make me fall in love again?
Aha, aha, oh yeaaaah, she said
I just wanna fall in love again
And you got me throwin stacks on my card to the max
She said
I just wanna fall in love again
stacks on ? to the ?

[T.I.]

One day I ran into this cutie
Pretty toes, huge booty
Diamond on her ring finger
Still she tryin to throw it to me
See now shawty got a man, and I know it but she goin
hard
Licking her lips at me, popping buttons just to show her

bra
Initially, my first mind say "no sir"
Fastforward two weeks in my suite
And you see me and her
How we got here with just a blur?
I say she don't care
Leavin me to go be with him
I say she won't dare
That we late?
in a euphoric state
After 3 or 4 it's late
Her phone ringin off that chain, she just hit ignore and
say
"Right now this all that matter, that'll have to wait"
I say "girl he gon whoop yo ass"
She say "thats one I'll have to take"
Aye

[The Dream]

I promise
That you will be the everything I need and more and oh
(I need and more)
I promise
You will be the only thing that i adore (that I adore)
Girl I promise
I'll ma get it right
Promise
Baby with all my might
I promise
I'll ma do eveyrthing that I can to stay witchu

Because i know it in my hear that nobody deserves it
like you

[Hook - The Dream]

And you should see shawty from the back (Hey)
Ain't never seen a girl like that (Hey)
She said she had a man so I had to pursue her
He ain't never there, so she let me do her
Now I'm all up on her like "oh, oh"
Now she all up on me like "oh, oh"
Then she took my hand, after that she said
You know what she said
I just wanna (Hey!)
I-I just wanna (Hey!)
I just wanna (Hey!)
I, I-I just wanna fall (Hey!)
I-I just wanna (Hey!)
I-I just wanna (Hey!)
I just wanna fall in love
I just wanna fall in love again

Sh-t down, sl-sl-slow the sh-t down
Slow the sh-t down. sl-sl-slow the sh-t down(x2)
Know how to work it right, I know how to work it right
