Rolly on my arm  
Let me get my swagger back  
Jesus on my charm  
Amen to that  
Laid-back  
In the maybach  
57' or 62'  
Floating down the coast  
In the heli  
Shorty that's what I do  
I'm getting stacks of this  
On accident  
My daughters five  
What that mean  
My daughters daughter  
Is already rich  
I'm getting' evolved  
Quit playing simp  
I'm simply pippin' record labels  
Ni\*\*ga look at my limp

She said she miss riding it  
I say I miss her on me holding it down  
I certainly miss how she grinds it  
And she said she miss having me around  
She's all up on me singing my songs  
And it feels like I'm fucking my fan  
And screaming don't let go  
Baby you already know  
Climaxing on my hand  
She running it back working it  
Like you don't understand  
Mr. Yea yea yea

She want that old thing back  
That ride it like up on it  
That get up in the morning  
And then put it on me she so horney  
She want that old thing back  
That mm hmm give me some  
Rock it shit that rocket ship

Don't stop until I'm done

She want that ghetto ghetto  
And I got that ghetto  
Ghetto ghetto  
And I got that ghetto  
Ghetto ghetto  
And I got that ghetto  
She want that ghetto  
She need that ghetto  
That ghetto ghetto  
And I got that ghetto  
Ghetto ghetto  
And she want that ghetto  
She need that ghetto  
She want that ghetto  
The ghetto ghetto  
The mm hmm ghetto

Uhh she said dream do it to me like this  
Why can't you do it to me like that  
For the last 48 months you can't front  
I put that ass on the map  
See I created this sound  
Yes sir I shut it down  
There's only one number one  
These other ni\*\*as are my sons  
And you can never be be like me  
And you can never do it do it like me  
Ain't none of these ni\*\*as seeing me  
Ain't none of these ni\*\*as repeating me  
Ain't none of these ni\*\*as defeating me  
Unless get me to merk myself  
I just merk myself

She want that old thing back  
That ride it like up on it  
That get up in the morning  
And then put it on me she so horney  
She want that old thing back  
That mm hmm give me some  
Rock it shit that rocket ship  
Don't stop until I'm done

She want that ghetto ghetto  
And I got that ghetto  
Ghetto ghetto  
And I got that ghetto  
Ghetto ghetto  
And I got that ghetto  
She want that ghetto

She need that ghetto  
That ghetto ghetto  
And I got that ghetto  
Ghetto ghetto  
And she want that ghetto  
She need that ghetto  
She want that ghetto  
The ghetto ghetto  
The mm hmm ghetto

Real ni\*\*a on the wish list  
Used to blow me off  
Now she trying to blow me kisses  
Walked into the room  
Tell how could I miss it miss it  
Girl you working like you need assistance  
A tippin'  
Girl you working like you need a pension  
Bend that thang over  
Let a ni\*\*a get a pinch in  
Rich ni\*\*a shit  
I could put you on a boat  
Popping champagne  
Now you're looking like it's big pimpin' pimpin'  
I work all day  
Fuck all night  
Fixing to make you cuss all night  
Shit fuck damn  
Let me know I do it right  
Pussy so good I'm a have to do it twice  
Bend over let a real ni\*\*a taste that  
Fuck around and need a placemat  
See my call log  
A ni\*\*a had to erase that  
Sending me a text  
Smiley face chat saying that

Wanna show you how much  
Try appreciate you  
So you how much I'm dedicated to you  
Wanna show you how much  
I will forever be true  
Wanna show you how much  
Have a ni\*\*a feeling good  
Wanna show you how much  
How much you're understood  
Wanna show you how much  
I value what you say  
Not only are you loyal  
You're patient with me babe  
Wanna show you how much

I care about your heart  
Show you how much  
I don't like like being apart

Wanna show ya show ya show ya  
Till your hearing me  
Keep it how it is  
So we can never say how it used to be

Loving you  
Is all that's on my mind  
And I can't help but to think about you  
Day and night boo  
After this nobu it's me and you  
Baby dance for me  
Baby dance for me  
Baby put that body on my body  
Whip that shit like my ferrari  
Tonight it's going down
