Give it all girl  
give it all you got  
you can take your chance  
and give your best shot  
say what you want girl  
it ain't gonna do  
he's never gonna make it with you

Your pullin pedals off a flower tryin' get your way  
keep pullin till it says what you want to say  
girl you could pick a field full of daisy's  
but he'll still be my baby  
i know you can hardly wait till i'm away from him  
instinctivly i know what your thinkin  
you can give him an open invitation  
but my baby won't be takin it

1)you can lick your cherry lips  
try to tempt him with a sweet kiss  
you can flirt your pretty eyes,  
but he ain't got his hands tied

chorus:  
no chains to unlock,so free to do what he wants, he's  
into what he's got(and  
that's me)  
he loves me, he loves you not

your the kinda girl whose always up for 2-a-day.  
only want him just because he's there  
always lookin for a new ride  
the grass is greener on the other side  
your the kinda girl whose not use to hearin no  
all your lovers try to take you where you want to go  
doesn't matter how hard you try  
your never gonna make it with my guy

chorus

1
