I see clearly now
Bad Boy, ready
Dream
We rock the beat
And we rock the beat
I see clearly now
And we rock the beat
26, Bad Boy baby
My name is Diddy Remix

Pullin' petals off a flower, tryna get your way
Keep pullin' 'til it tells what you wanna say
Girl you can pick a field full of daisies
But he'd still be my baby (and we rock the)

I know you can hardly wait 'til I'm away from him
Instinctively, I know what you're thinking
You'll be giving him an open invitation
But my baby won't be takin' it, no

You can pout your cherry lips
Try to tempt him with a sweet kiss
You can flut your pretty eyes
Cuz he ain't got his hands tied

No chains to unlock
So free to do what he wants (free to do what ever he
wants)
He's into what he's got (yeah)
He loves me, he loves you not

No matter what you do
He's never gonna be with you
He's into what he's got
He loves me (He loves me), he loves you not

I can see clearly now

You're the kind of girl that's always up for do or dare
Only want him because he's there

Always lookin' for a new ride
The grass is greener on the other side

You're the kind of girl who's not used to hearin' no
All your lovers try to take you where you wanna go
Doesn't matter how hard you try
You're never gonna get with my guy

You can pout your cherry lips
Try to tempt him with a sweet kiss
You can flut your pretty eyes
Cuz he ain't got his hands tied

No chains to unlock
So free to do what he wants (he wants)
He's into what he's got
He loves me, he loves you not

No matter what you do
He's never gonna be with you (no, no, no, no, no)
He's into what he's got
He loves me (He loves me), he loves you not

As we proceed
Yo, yo, I wake up in the morning for the breakfast in
bed (uh huh) (yeah yeah)
And wind up with the breakfast and head
You fire hot, you get the Lexus in red (uh huh)
But you know I'm ghetto like? Christians and bread? (a
week)
Tradin' the moon and the sun (yeah)
For hard work and fun (that's right)
You know it ain't no rest
And why you stressin' me, huh (why you stressin' me,
huh)
I love you like Kung Fu and new ones
Don't worry about Susan, cuz you the one (you the one)
(he really loves me)
I make that spinach somewhere in Venice (bounce)
I don't mean to ignore you, I put you in the fence (come
on)
I ain't got time for hotlines (yeah yeah)
Probably a hot nine, you think not find (take it, heh)
Oh contrare, I won't flare
Catch me on Con Air, causin' a bomb scare
So much cream, my thumb green (yeah yeah)
A million scene reminds me of a dream

No chains to unlock
So free to do what he wants (free to do whatever he
wants)

He's into what he's got (yeah)
He loves me, he loves you not

No matter what you do
He's never gonna be with you
He's into what he's got
He loves me (He loves me), he loves you not

No chains to unlock
So free to do what he wants (he wants)
He's into what he's got
He loves me, he loves you not

No matter what you do
He's never gonna be with you (no, no, no, no, no)
He's into what he's got
He loves me (He loves me), he loves you not

No chains to unlock
So free to do what he wants (free to do whatever he
wants)
He's into what he's got (yeah)
He loves me, he loves you not

No matter what you do
He's never gonna be with you
He's into what he's got
He loves me (He loves me), he loves you not
