He loves me, he loves you not
He loves me, he loves me not
He loves me he loves you not
He loves you not

Pullin petals of a flower tryin to getcha way
Keep pullin till its says what you wanna say
Girl you can pick a field full of dasies,
But he'd still be my baby

And now you can hardly wait till im away from him
Instinctively, I know what yer thinkin
Youll be givin him an open invitation
But my baby wont be taken

Pre Chorus:

You can pout your cherry lips
Try to tempt him with a sweet kiss sweet kiss
You can flut your pretty eyes
He ain't got his hands tied

Chorus:

No chains to unlock, so free to do what he wants
He's into what he's got
He loves me, he loves you not
No matter what you do, he's never gonna be with you
He's into what he's got
He loves me, he loves you not

You're the kinda girl that's always up for do or dare
Only want him just because he's there
Always lookin for a new ride
The grass is greener on the other side
You're the kinda girl whos not used to hearin' no (no)
All your lovers try to take you where you wanna go (go)
Doesn't matter how hard you try
Now I'm gonna get wit my guy

Chorus:

No chains to unlock, so free to do what he wants

He's into what hes got (and that's me)
He loves me, he loves not
No matter what you do
He's never gonna be with you
He's into what he's got
He loves me he loves you not

(doesn't matter what you do, hes never gonna be with
you)

Give it yer all girl, give it all ya got

Say what you want girl, do whatcha do
He never gonna, gonna make it with you

Pre Chorus
