### "I Am Woman"

Woman, I am  
I am woman  
I am woman {woman}  
I am woman  
I am, you are woman  
Don't sacrifice  
Oh, oh oh {oh, oh oh}

{woman} so here I am, your lover  
Dreaming like no other  
Would you give me everything  
A woman wants and needs?  
What would you do to keep me?  
Would it be just like the movies?  
Would you run and hold me  
Like a perfect lovers scene?

So tell me what's the plan  
{are you} gonna be a man?  
I think it's time to listen  
To what your mama taught you

If you think you're gonna want me  
Gotta get to stepping up your game  
Don't ever let me see you  
Disrespecting all the love I give you  
Cause basically you would fall  
Without us to protect you

Girls say, "I am woman"  
Don't think it's a lie  
I am woman  
Don't sacrifice  
Cause you are woman

If you were in my shows  
Boy, if you had to choose  
Would you want the best  
Or would you just settle for less  
{No} I don't want to

{No} And I don't have to  
{No} So don't play games  
Cause you can't win

So tell me what's the plan  
{are you} gonna be a man?  
I think it's time to listen  
To what your mama taught you

If you think you're gonna want me  
Gotta get to stepping up your game  
Don't ever let me see you  
Disrespecting all the love I give you  
Cause basically you would fall  
Without us to protect you

Girls say, "I am woman"  
Don't think it's a lie  
I am woman  
Don't sacrifice

{Oh, why don't you} Show me what you got  
If you got, I could give  
Can you handle the way that I wanna live?  
If you can't cope with me then you can't come in  
If you can't handle this  
But you won't love me so  
Things I'm a give you'll never know  
Step it up and I can love you so  
Oh, oh oh, Oh, oh oh, I am woman

If you think you're gonna want me  
Gotta get to stepping up your game  
Don't ever let me see you  
Disrespecting all the love I give you  
Cause basically you would fall  
Without us to protect you  
Girls say, "I am woman"

If you think you're gonna want me  
Gotta get to stepping up your game  
Don't ever let me see you  
Disrespecting all the love I give you  
Cause basically you would fall  
Without us to protect you

Girls say, "I am woman"  
Don't think it's a lie  
I am woman, don't sacrifice  
Cause, I am woman  
Don't think it's a lie

You are woman, don't sacrifice  
Oh, oh oh, oh, oh oh I am woman
