Dream, Bad Boy baby lets go
Don't know what I gotta do
To get through to you
You aim - Tryin much to hard
To get the message through
I know cause I feel the same
And it's drivin me insane
Why do we have to play these games
Oh no
I wish that I could get the nerve up
Walk right up to you and
Ask you baby for your name (ask you baby for your
name)
You look so inviting (you do)
This seems so exciting (it does)
We should be together this way (we should be together
this way)
So what's the deal? (what's the deal?)
This don't seem real (this don't seem real)
This kind of thing only happens
In my dreams (thing only happens in my dreams)
When boy meets girl (oh yeah)
A perfect world (a perfect world)
This sort of thing only happens
In my dreams (this only happens in my dreams)
Top down and were cruising slow
With friends that we both know
Its just a Friday night thang
And I am ready to go
Hit the club and the partys on
DJ playin favorite song
Its just the way that we live
So lets go
Baby in the way your moving (your moving)
Ooo youve got me thinkin (thinking)
We should be together
For days (we should be together for days)
And as the days are slower (000 yeah)
Ooo you pull me closer (me closer)
Cant believe it feels this way (cant believe it feels this
way)

So what's the deal? (what's the deal?)
This don't seem real (this don't seem real)
This kind of thing only happens
In my dreams (thing only happens in my dream)
When boy meets girl (ooo yeah)
A perfect world (a perfect world)
This sort of thing only happens
In my dreams (this thing only happens in my dreams

This seems so real to me (real too me)
But it's a fantasy (fantasy)
Baby why can't you see? (Cant you see that baby?)
I need to know the deal (I need to know)
There is no time to kill (there's no time to kill oh)
You got to know it before I go insane (oh whoa oh oh)
So what's the deal? (what's the deal?)
This don't seem real (I gotta know)
This kind of thing only happens (oh yeah)
In my dreams (this kinda thing only happens in my
dreams)
When boy meets girl (ooo yeah)
A perfect world (a perfect world)
This sort of thing only happens (this thingthis thing)
In my dreams (only happens in my dreams)
