Now I'm lookin through my cd collection  
The last time it was right behind confessions  
I'm looking for the right cover, the names in red letters  
Can't wait to pop it in my base & put our bodies  
together

### Chorus

I'm fitna stunt like my daddy up in here  
Girl you got my lips hangin off your ear  
Clean the cd, check for scratches  
Get up on my mattress  
Now we doin it, to kellys 12 play  
You can't ruin it, I'm doin it to kellys 12 play  
Like a dj I'm screwin it, while we doin to kellys 12 play  
Ooh ooh oohin it, I'm doin it, to kellys 12 play  
Your bodies the cup, my bodies the coffee & I'm brewin  
it, while we doin it, to kelly 12 play

We gon come up off the bed, push up to the dresser  
Got her all up on my cd player  
Skip skip skip skip skip back to number 7  
& we both sweatin it out like it's a fire up in here  
Reach my hand up to the remote gotta play that one  
more gin  
As we repeat steps 1 through 12  
She like, thank you dream, I'm like, no thank you kells

### Chorus

I'm fitna stunt like my daddy up in here  
Girl you got my lips hangin off your ear
