[Verse 1; the dream]

Girl you're so wonderful
Hold me never let go
I love you like that
What we got phenomenal
I'll go wherever you want to go
I love you like that

Hook:

Kill the lights
Kill the lights
Kill the lights
Kill the lights
I want to set fire to the darkness
I want to lay flames where your heart is tonight
Kill the lights

[Verse 2: the dream]

Take my hand lover
They'll be no other

I love you like that
Let me take it from here

Casha:

Talk that shit
Roc me
Back and froth
Let me love you back
Ooohhh

[Hook] x casha

[Bridge: dream/casha]

Lay your hand on me
Put your heart there on me
Fire take us from here
Ignite us
Don't let them divide us
Every kiss
Every touch

Girl I love you so much
Let me touch
Love you so much
