(Verse 1)

You you

You can't say that I really didn't love ya

There's a new new

New new louis bag for every time that I touched it

Quit actin like I'm the only one to blame(honey)

Didn't hear you scream NO!

When you was trickin off my money

But you left me hear to clean up yo dirty laundry

(Oh yeaahh)

(Hook)

So kiss that nigga

Hug that nigga

Love that nigga to death

Go head and please that nigga

Feed that nigga

In time you'll see the problems ya self

(Chorus)

Cuz when love is ya problem

Nothin can solve it

When love is the problem

Money can't solve it

When love is ya problem

Nothin can solve it

When love is ya problem

No man can solve it

(Verse 2)

Now do you

You can look back at all the shit you've done

To her loves a jail so so so so so she stays on the run

You give her money

She wants love

You give her love

She's back at money

She'll run from man to man

Makin plans to plan

No secret yall know who we talkin bout

(Chorus)

When love is ya problem
Nothin can solve it
When love is her problem
Money can't solve it
When love is her problem
Nothin can solve it
When love is her problem
No man can solve it

(Breakdown)

Oh nothing

Solve it solve it

Uh ohhh

Solve it solve it solve it

Uh ohhh

I wonder if you'll ever take the responsibility of what you
already done

All the time you figure out that she's not the one 3
years have went by nigga you done

No no no no no

You done(x12)

You can have her back
