I miss you like crazy
Tell me when you're comin back home
I miss you like crazy
Tell me when you're comin back home
Since u've been away
Things ain't been the same
I miss you more and more each day
Something 'bout your love
I just can't get enough
I wish it wouldn't hurt so much
BRIDGE
You don't know what you done to me
I can't sleep at night baby
Wishin' you were here with me
There's something 'bout the love you give
No one else can give it to me
I miss you like crazy
CHORUS
I miss you like crazy
I miss you being my baby
Tell me when you're comin back home
I miss you like crazy
I miss you being my baby
Tell me when you're comin back home
No matter what I do
I can't stop thinkin' of you
You're always on my mind
My heart is not a home
Since you've been gone
I wish you would come back to me
BRIDGE
CHORUS
Now I realized how much you mean to me
You are my everythin'
I miss you baby
CHORUS
