CHORUS

Mr Telephone man

There's somethin wrong with my line

When I dial my babys number

I get a click every time

Mr Telephone man

There's somethin wrong with my line

When I dial my babys number

I get a click every time

When I dial 611 carry service

She said hello may I help you please

Told her somethin must be wrong with my phone

Cuz my baby wouldn't hang up on me

CHORUS

He let the phone ring twenty times before he answered

Let me tell you what happened then
