Hope yourself even catch you at the wrong time

If i say I didn't Miss You

Girl I would Be lying

To You I Never lie

Never would I try

And I always thought that you would end up on my side

Girl I aint gon' repeat what I did last time

Hook

You Showin' up, You Showin' up, You Showin' up Where  
I'm at

Keep Callin me, Keep Callin me, Keep Callin' me, Come

Me and my new girl is cool, but now I'm having doubts..

Verse 2

Shawty we were the greatest

in the mix with all the haters

Then you twisted all up on me

You used to be my homie

You said you play the role

and bend it (?)

The love we have never grew

Suddenly grew us both(?)  
Girl I thought you had my back  
Why you treating me like this  
Can't believe my side chick  
Fell in love, (?)  
You said you understood me  
Wondered what it could be  
You just say I Love you  
Now I'm screamin Fuck you  
Hook  
You Showin' up, You Showin' up, You Showin' up Where  
I'm at  
Keep Callin me, Keep Callin me, Keep Callin' me, Come  
back  
You Fuckin' with, You Fuckin with, You Fuckin with my  
life  
Me and my new girl is cool, but now I'm having doubts..  
Chorus  
And it's all because of Nikki  
It's all because of Nikki
