Dear Heavenly Father I come to you today humble as I  
know how I praise you and  
Lift your name up I only know it is because of you that  
I've made it this far I  
Look at my life knowing that my days are precious and  
nothing is forever as you  
Have sent me forward on this journey I have learned to  
take what I need and  
Keep it moving I've realized that my talents are a gift  
from you and what I do  
With them is my gift back to you I want to give back to  
you and I know  
Sometimes I go astray but I'll always come back to you  
because I love you  
Because I love you because I love you because I love you  
in your precious name we  
Pray AMEN!!!
