Dear heavenly father I come to you today humble as I
know how I praise you and
Lift your name up I only know it is because of you that
I've made it this far i
Look at my life knowing that my days are precious and
nothing is forever as you
Have sent me forward on this journey I have learned to
take what I need and
Keep it moving I've realized that mt talents are a gift
from you and what I do
With them is my gift back to you I wan't to give back to
you and I know
Sometimes I go astray but I'll always come back to you
because I love you
Because ilove you because ilove you because I love you
in your precious name we
Pray amen!!!
