Your love's so hard that it breaks
Your love will... for all... pieces
You're loving the pieces
Your love's so hard that it hurts
But is worth

Parts of me with you, babe
Love will make you feel away
Parts of me with you to love
Never see your face again
... what you love
... all to her
... what you know
Yeah, yeah

Chorus:
... the kisses, all of the yeah, yeah
... you just... to pieces
Loving you to pieces
When your love is so hard that it breaks
When your love is so hard you can take
... just loving you to pieces
I keep loving you to pieces
Your love is gone that hurts
You deserve

Parts of me with you, babe
Love will make you feel away
Parts of me with you to love
Never see your face again
... what you love
... all to her
... what you know
Yeah, yeah,

Chorus:
... the kisses, all of the yeah, yeah
... you just... to pieces
Loving you to pieces
When your love is so hard that it breaks
When your love is so hard you can take

... just loving you to pieces
I keep loving you to pieces
Your love is gone that hurts
You deserve
