Intro:]

[Female:]

Uh, so...

Which one of these do you like?

This lip pedal by, Bobby Brown, and...

Hold ON!

This is, Veneer by MAC

Which one do you like best?

[The-Dream:]

Come on, come on

[Spoken:]

Uh, you know

You look good with your makeup ain't on you right?

But, when you put on your lipstick

Shawy... ha ha

And you leave it, everywhere

That's what the F*** I'm talkin bout

[Verse 1:]

Come on, come on, and put on that

Baby tee, baby tee, baby please

Ooh no, I'm gon' break u off tonight

Girl you be

Lacin' me, lacin' me, with that ooh love

Baby leave dem lip prints on me tonight

Lay on your back, and let your eyes find the stars

You be my venus, love is jupiter, I'm your mars

We gon' turn this bedroom into the sun

We takin' flight, oh baby

[Hook:]

Got your hair did, I'm about to mess that shit up

My gun on fire, it's about to be a stick up

MMmm gettin' hit up, tonight yeah

On me, on me, on me

[Chorus:]

I love it when she put them perry lips on me

Purple kisses, purple kisses

She kiss me from my head, down to my feet

Purple kisses, purple kisses

She got that MAC on her lips when she doin' it to me
Purple kisses, purple kisses
When she ready to go, I never let her leave me
Purple kisses, I love it when she kiss on me
On me, on me, on me
She kiss on me
On me, on me, on me
Shawty she kiss on me
On me, on me, on me
You should see how she kiss on me, on me yeah

[Verse 2:]

You got my ex out here hatin' on me oooh no
'Cause you do it just how I like, ah
And everywhere I go, them niggas wan' fight the boy
Cause she be on it like a kid on a bike
Whoa oh oh oh, shawty so tight
Whoa oh oh oh, shawty keep them lips lookin' right
For me, that MAC on, for me, that lip gloss, for me
Mm aaah, mm aaah

[Hook]

[Chorus]

[Bridge:]

Doom, doom, doom
Now there goes my doorbell
And I'm happy she's here, but I gotta wait a minute
Doom, doom, doom
And there's number 2, and even though shawty's the
shit
I can't let her know she's winnin'
Doom, doom, doom
I'm racin' down the stairs, I open the door she's right
there
And she's like how you like my hair?
Doom, doom, doom
I'm like that bob looks fly, but them lips oh my
Can't wait til you plant that kiss on me

Kiss on me...

Shawty she kiss on me

On me, on me, on me...

Baby girl, baby girl, baby girl, baby girl, baby girl
gimme some-

Purple Kisses, Purple Kisses [repeat til fade]
