Take a pic and you OD on my life files

[Verse 1] The-Dream

Shawty get it get it

Do it big, do it good

Work it like a girl should

(Work it good, work it good)

Bring it back (bring it back)

Tell the DJ bring back

Let me touch it, fuck it

Baby tell your man he ain't gettin it back

Shawty you so ratchet

Baby I'm so ratchet

You so gone with that

Like a nine I gotta blast it

So fine I gotta grab it

Got my right hand on that pussy

Keep that pussy poppin like that

[Verse 2] The-Dream

Up in that six hundred

You ain't even seen it

Touchin on it, rubbin on it

Girl you got me feenin
All about her money
And I'm all about my money
Million dollar babies plus alimony
First a nigga save you
(Then a nigga grave you)
And ain't nobody got time for that
So it's best just to pay ya
Thirteen cars I don't need nothing else
Just this booty on my lap
And this gold on my neck

[Verse 3] Big Sean

The way do
Got me very very very happy
She stare at me while I'm starrin at it
I'm young sexy ass charismatic
Ass, gorgeous face, ass havin
Nigga that's you lovin her pantyhose
She need this dick like it's antidote
That pussy is a work of art painted by Michael Angelo
I wake up to pussy and cantaloupe
That she made me for my appetite
Fucking so hard imma remember this in the afterlife
I tell her slob on my nob, like it's corn on the cob she
keep going oh my god
And my broad is so bad I can hit from the back
All my favorite girls got my initials as tats
Finally Famous she throw the set up like Sororities and
Frats
Niggas can't tell me shit but congrats

[Course]

[Outro]

Pull up to that traffic light
Stars bright wanna touch her
Gotta get her to the spot
Oh shit I might love her
Straight up out of med school
Could be my baby momma
