[Chorus]

I wanna rock your body, your body, your body (baby)  
Your body, your body, your body (baby)

[The Dream]

Girl I can't lie, I can't deny  
Girl I can't look in this song  
Please don't lie, don't be shocked  
When you taste your love in my tongue?  
Put your lips on my lips  
When I dip, you dip, we dip  
Take off on my rocket ship  
I know you know what it is  
Hmm hmm, good loving  
That grinding, that bumping  
That awww yeah, that bed shake  
That next day, body ache  
So shawty get up on it  
I'ma make that body go from left to the right  
From side to side  
Now I'm gon get behind it, and Ima make that thing  
ride (ride)  
Roc, roc, roc, roc  
Roc, roc, roc, roc

[Chorus]

I wanna rock your body, your body, your body (baby)  
Your body, your body, your body (baby)

When I'm making love to you girl,  
Feel like I'm on top of the world  
Your body, your body, your body (baby)

[The Dream]

There's so much I wanna say, tryna keep my  
composure babe  
While you holding me out, you'll always be my lady  
I must admit what you doing got me going insane  
Poppin' it, dropping it, all day babe

Hmm hmm, good loving

That grinding, that bumping

That awww yeah, that bed shake

That next day, body ache

So shawty get up on it

I'ma make that body go from the left to the right

From side to side

Now I'm gon get behind it, and Ima make that thing

ride (ride)

Roc, roc, roc, roc

Roc, roc, roc, roc

[Chorus]

I wanna rock your body, your body, your body (baby)

Your body, your body, your body (baby)

When I'm making love to you girl,

Feel like I'm on top of the world

Your body, your body, your body (baby)

[The Dream]

Back it up, back it up, put it on me

I'ma grab it up, grab it up, woo wee

Now take it down, take it down, nice and slow

Now pull it up, pull it up, baby there you go

Baby there you go

See I'mma rock that, rock that, rock that fella

You rock this, rock this, roc-a-fella

It's okay that they jealous

From what I see 'cause they girl don't look like you

And the nigg-s ain't rich like me

O-o-oh baby

Now rock that sh-t on me

Round and round, up and down

Oh-oh-oh ohhh

[Chorus]

I wanna rock your body, your body, your body (baby)

Your body, your body, your body (baby)

When I'm making love to you girl,

Feel like I'm on top of the world

Your body, your body, your body (baby)
