[Intro (Chopped)]

Face down, ass up
That's the way we like to (Oh!)
Do you in my Benz truck
Then he call your friends up
Yea I put it on her
She won't even bring her mans up
Damn bruh,
Heard that you need to get them ends up
On her like a poster pimpin
Yeah I got her pinned up
Hemmed up,
Top to the bottom, get your hands up
Police at my door, knockin
Beggin me for more, drop it
Excuse me Mr. Officer,
But what more can your offer her?

[Verse 1]

Nigga I ain't trippin
She can go where ever she like
You'll never catch me slippin
Nigga, My love game is so tight
And I'll give her what ever she needs
And you can't match a love like mine
It's like tryin to rob me with a BB gun
But my love gets it poppin like the Taliban
And you know that I got that Fi-yaa
That blazin, amazin
Hood shit
Banging out them head boards, hood shit
And you know this

[Bridge]

So baa-by girl
She ain't goin nowhere, partna
She stayin right here

Baa-by girl
I don't know why you lookin

Can't you see ain't nothin cookin

Baa-by girl (woo hoo)
Got her wrapped around my finger
Sowed up like a singer

Baa-by girl
I make every nigga irrelevant
I'm sex intelligent

[Chorus]

Sex Intelligent
Know how to work it right

I'm Sex Intelligent
I know how to work it right (x2)

I make every nigga irrelevant
I'm sex intelligent

I'm Sex Intelligent
I know how to work it right (x3)

I make every nigga irrelevant
I'm sex intelligent

[Verse 2]

What could you be thinkin?
Don't you know that she's mine
better re-think it
I know, I know, I know shawty fine
but she took like a motherfuckin crook, yeah
Like a ticket I got her booked, yeah
Kinda like a fiend I got shawty hooked, yeah
Earthquake,
Shawty shook, yeah
She might even chill at the bar wit you for a minute
While she's there wit you,
She's thinkin how I hit it
Shawty can't forget it
I bust it down, break it down, blunt raw split it

[Bridge]

So baa-by girl
She ain't goin nowhere, partna
She stayin right here

Baa-by girl
I don't know why you lookin
Can't you see ain't nothin cookin

Baa-by girl
Got her wrapped around my finger
Sowed up like a singer

Baa-by girl
I make every nigga irrelevant
I'm sex intelligent

[Chorus]

Sex Intelligent
Know how to work it right

I'm Sex Intelligent
I know how to work it right (x2)

I make every nigga irrelevant
I'm sex intelligent

I'm Sex Intelligent
I know how to work it right (x3)

I make every nigga irrelevant
I'm sex intelligent

Get up in my world
Let me put it on you girl
Love you baby
Until I drive you crazy
Know this song is over
but I can't get up off ya
come on baby, closer
get up on this coaster
and ride it out, ride it out
until my theme park closes
grind it out, grind it out
until the park reopens
your the breakfast in my bed
Just give me a little bit
what ever you had to do is irrelevant
I'm sex intelligent (yeah, yeah)
I'm sex intelligent (yeah)
A-T-L-A-N-T-A
