Cause your hair is gon need fixin' yeahh
Call Atisha, your beautician yeah
Uh Uh Uh yeahh

[Verse 1]

She got protection in her pocketbook
She playin' hard but I know I got her shook
Oh baby take it from me
Baby like a crook
I've been reading you
Like an open book

[Bridge]

Sing it to me now
Purse, Shirt, Skirt, Yeah shawty take it off
Necklace, My white tee, My nikes
Shawty Ima take it off
She just got her hair did
But you know I can't stop it
And Right after we're finished I'm gon' get your shit
fixed

[Chorus]

Sweat it out, Sweat it Out, Sweat it Out
Oooooooo
Gon Sweat it out, Sweat it out, Sweat it out
Oooooooo
Girl let's sweat it out, sweat it out, sweat it out
Oooooooo
Let's sweat it out, sweat it out, sweat it out
Ohhhh
(VERSE TWO!)

[Verse 2]

We're trading affection as I mess up her bang
Hair everywhere all in her face (all in her face)
Didn't mean to mess up a good thing (ehh)
But I needed you babe (ehh)
Don't be mad at me (uhh)

You should've got braids

[Bridge]

Sing it to me now

Purse, Skirt, Shirt, I'm glad that you took it off

Necklace, white tee, my nikes, I couldn't wait to take it off

I know you got your hair did

But you know I couldn't stop it

I told you once we finish

That I would get your shit fixed

[Chorus]

[Verse 3]

The sweat is racin' down your spine

I promise it's gon' be alright

Just call Atisha your beautician

I promise it will be just fine

In two or three or hours

You'll be smilin'

She gon' get that hair bone straight

And even though I got it all tangled

I know you like the love we make

The love we make [x4]

I know you like the love we make

The love we make

I know you like the love we make

The love we make

[Verse 4]

Ooooooooooh

Girl I can't wait (2x)

To doctor on your body

That's what's up

I know that's it intentional

She got it fixed so I can

Fuck it up

So put it on me

Like yeaahhh heyy

You know you aint right

Yeaahh

Girl wipp it wipp it Flip it Flip it

You know I make your ass sweat it out

Sweat it out

And hit me up when I can milk that thang
