### "The Real Me"

I've been checking you out checking me out  
Like the cover of a book  
I can tell you like the wrapping  
The package, I'm off the hook  
Hey, tell me, are you the kinda  
Guy that likes to read?  
Are you that deep?  
Or do the pictures satisfy all your needs?

Be attracted to who I am, what I think  
What I say, not what I look like  
I want somebody who thinks I'm hot  
For what I've got, that's not on the outside {ooh}

When you look at me  
Are the curves and the angles all you see?  
Would you be hanging around if I wasn't pretty?  
Tell me do ya, do ya, do ya see the real me?  
Would you want to get with me  
If I wasn't so blessed with eye candy?  
Or would you let me walk by invisible?  
Tell me do ya, do ya, do ya see the real me?

To get beyond the velvet rope  
There's a price for admission  
Some guys, get inside before  
They have to stand outside wishing {wishing}  
If I wipe away the lipstick, wash away the paint  
Would you wake up wishing I was someone that I am

Be attracted to who I am, what I think  
What I say, not what I look like  
I want somebody who thinks I'm hot  
For what I've got, that's not on the outside {ooh}

When you look at me  
Are the curves and the angles all you see?  
Would you be hanging around if I wasn't pretty?  
Tell me do ya, do ya, do ya see the real me?  
Would you want to get with me

If I wasn't so blessed with eye candy?  
Or would you let me walk by invisible?  
Tell me do ya, do ya, do ya see the real me?

I'm standing here trying to get real with you  
Are you listening or just watching my mouth move?  
Cause if you only use your eyes to peep  
No matter how wide you'll never get by me skin deep

Tell me do ya, do ya, do ya, do ya  
{do ya, do ya} Do ya see the real me?  
Tell me do ya, do ya, do ya

When you look at me  
Are the curves and the angles all you see?  
Would you be hanging around if I wasn't pretty?  
Tell me do ya, do ya, do ya see the real me?  
Would you want to get with me  
If I wasn't so blessed with eye candy?  
Or would you let me walk by invisible?  
Tell me do ya, do ya, do ya see the real me?

When you look at me  
Is it my face or my body that you see?  
Would you be hanging around if I wasn't pretty?  
Tell me do ya, do ya, do ya see the real me?

Cause I'm causing traffic jams  
Doesn't make me who I am  
Could be fat, I could be thin  
And still be beautiful within  
Cause I'm causing traffic jams  
Doesn't make me who I am  
Could be fat, I could be thin  
And still be beautiful within
