Tron, tron, tron, tron, tron, tron
Used to, used to, used to
Used to nigga, I used to wanna rap
And used to talk that strap
15 million off of "Umbrella"
And I said fuck that
Fuck I look like hating on rnb niggas
I am rnb nigga
Used to ride that 'lac,
Now I ride that 'ari
Push the button to start
To the ozone Iâ'm sorry
Fuck I look like hating on an rnb nigga
I an rnb nigga
Let you niggas get hot for a minute
But I be hot for a century
Let you niggas get hot for a minute
But I be hot for a century

I pull up fucking that 2 chains
My 2 chains,
My bad, I mean 4 chains
Look like a nigga sell dope mayne
Coke mayne, cook right over that propaine
Me and you like these niggas
We just don't smoke the same
Don't see us nigga, just throw c's nigga
Pay my niggas with the fees niggs
With the beats nigga, we overseas nigga
You that g-nigga, that mula, that mumba
Heard y'all niggas ain't fucking with me
Kiss my ass, muah!
Versace, big nigga
I was already that
notorious, big nigga
First generation, millionaire
You been saying the same rap for 10 years
Talentless, moron
Put it together by myself Voltron
Put it together by myself Voltron

Everybody wanna to tell me how to run this thing
When I'm running it, when I'm doing it
While you doing her, boeing her, screwing her
Fuck you yeah, you and her
Send her to powder up
Bathroom and I'm shitting on you niggas
Toilet stools
Balling shot calling
My daughter's too next generation money
navy blue
of course they didn't get it, couldn't follow
My son's got a good record, fuck use the motto
Never confused about know what it is we on that ice
Checks hit mail box, super bowl everyday
I'm sick of winning, I'm sick of spending
I got pockets on them, for my grades on them
with these slurs with these curves in this turbo S
Music genius, I'm the nerd, get the vest
I'm too cold to be signed to another nigga
And I'm to old to be signed to another nigga
Talentless, moron
Put it together by myself Voltron
Put it together by myself Voltron
