[Verse 1: Beyonce]

Turn up 'til you ain't got no feeling
On my phone, that's Siri - talkin' 'bout you gon'
kill it
Beat it up 'til I black out, cash out (your job)

[Hook]

I need that sexy (ratchet)
Sophisticated (ratchet)
That black lover when it's hot outside
In the summertime (ratchet)
What you need, that cocky? (ratchet)
Ready to cock back (ratchet)
That drop-top in December or mid winter (ratchet)
Turn up, turn up, turn up, boy
Turn up, turn up, turn up, boy
Lovin' everything you do
Baby, I'm in love with you
Turn up, turn up, turn up, boy
Turn up, turn up, turn up, boy
People think I'm crazy
But I love you 'cause I'm crazy too

[Verse 2: The-Dream]

My black light special
She's hotter than a flame tonight
Burn up in this hoe and watch her do all of the things I
like
Said you the reason why all these rap niggas start
singing
Said you the reason while all the cute girls got babies
All you gotta to is say "what's happening" and I'll
be right there, baby
All you gotta to is say "what's popping" and I'll be
right there, shorty
On my phone like Siri - I told you I was gon' kill it
Got my chains on and they're jelly
Where's Michelle at, and where's Kelly?

[Outro]

I need that sexy (ratchet)

Sophisticated (ratchet)
That black lover when it's hot outside
In the summertime (ratchet)
What you need, that cocky? (ratchet)
Ready to cock back (ratchet)
