### "What It Is You're Feeling"

*[Diddy:]*

Ladies and Gentleman  
Your dreams have now been full filled  
Let's get up and let's get I'll  
Yeah, come on, uh Bad Boy baby  
Dream, come on, let's go

*[Dream:]*

We've both known each other  
Now, for quite a while  
And I think it's been kinda cool  
But we've both been holding out  
Cause I can see, by the way you look at me  
That it's a little more deep  
Than what we make it seem, oh

Baby boy, there's no way  
That I can hold it inside  
Can't ignore, the way I'm feeling  
And I can't let it by  
Tell me, are you gonna be?  
Let me know if it's just me  
Don't wanna ask too many things  
Is it real or just a dream?

I'm not gonna hide  
What I feel inside  
Won't put up a fight  
Cause it feels so right  
I can't even lie {can't even lie}  
{to you} How I waste your time {no}  
I just gotta know  
What it is you're feeling

*[Diddy {Dream}:]*

{da, da, da} Your dreams have now been full filled  
{da, da, da} Let's get up and let's get I'll  
Yeah, let's go, come on  
One, two, second verse, sing it shorty

*[Dream:]*

I wish I could show you what you mean to me  
But I'm not sure if you will even see what I see  
And you don't know how deep our feelings go  
But I can let them show  
I can't help myself, they keep on going

Baby boy {baby boy}, there's no way  
That I can hold it inside  
Can't ignore {can't ignore}, the way I'm feeling  
{the way I'm feeling, oh oh} And I can't let it by  
Tell me, are you gonna be? {are you gonna be? }  
Let me know if it's just me {oh}  
Don't wanna ask too many things  
Is it real or just a dream? {is it just a dream}

I'm not gonna hide {no, no}  
What I feel inside  
Won't put up a fight  
Cause it feels so right {I won't put up a fight}  
I can't even lie  
How I waste your time  
I just gotta know  
What it is you're feeling

Wonder what it could be like  
If you would open up, come inside  
Don't try to fight the feeling  
You know what I'm revealing  
When I feel like empty nights  
And when you look into my eyes  
I see and I'm so anxious for you {for you}

What's this that I'm feeling?  
Is it really real? and  
You say that it happened to me  
What's happening?  
I'm not trying to hide it  
I don't wanna fight it  
This is what I'm feeling  
Baby, let it happen

*[Diddy:]*

Bad boy, baby  
Inside of every bad boy  
There's a bad girl  
And we won't stop  
Cause we can't stop, Dream!
