Wooooooo

Your still trying to capture the moment
I'm living in it
your still tryin to pry your heart open
the sky's been my limit
I've been wondering if you are ever going
to met me half way
someday will you ever make me happy babe

When I get there I'm finely free and when I get there
I'm home
when I get there I'll turn the key and when I get there I'll
know
I don't know where I'm going but I'm going and I'll know
it when I get there
cant wait another minute cause your heart just isn't in it
and its not fair
when I get there I'm finely free and when I get there I'm
home
when I get there I'll turn the key and when I get there I'll
know

I see myself in a cathedral all dressed in white
guess someone was willing and waiting to be there by
my side
I don't know where I'll find him but I'm sure enough
going to find him somewhere out there
I know he's going to make me happy babe

When I get there I'm finely free and when I get there
I'm home
when I get there ill turn the key and when I get there I'll
know
I don't know where I'm going but I'm going and I'll know
it when I get there
can't wait another minute cause your heart just isn't in
it and its not fair
I don't know how I'll make it so I guess I'm going to fake
it until I'm somewhere
I don't know where I'm going but I'm going and ill know
it when I get there

I've been thinking about are situation its not what I want
if you cant get what cha giving you got to be moving on
but I got no hard feelings just the heart that's in me
it takes time but I'll find another road
then I'll will know he's the one
sure as rain
sure as sun
till the day hope is gone
I will keep holding on

I don't know where I'm going but I'm going and I'll know
it when I get there
(when I get there I'll be holding on)
cant wait another minute cause your heart just isn't in it
and its not fair
(you know its not fair)
I don't know how ill make it so I guess I'm going to fake
it until I'm somewhere
(till I'm somewhere)
I don't know where I'm going but I'm going and I'll know
it when I get there
(when I get there)

When I get there I'm finely free and when I get there
I'm home
I'm home
when I get there I'll turn the key and when I get there I'll
know
I will know
when I get there I'm finely free and when I get there I'm
home
I'm home
when I get there I'll turn the key and when I get there I'll
know
when I get there I will know
when I get there I'm finely free and when I get there I'm
home
I'll be home
when I get there I'll turn the key and when I get there I'll
know
