Waking up again, always broke
Reaching out in vain, out of smoke
Hits me, now I am lying
Oh god! My child is crying!
I need someone to blame

Promised to give her what she wants, always have
Told her a story once again, breach of faith
Why, why Santa?
I can't give her what she wants
Why, why Santa?
Your to blame
Please, please Santa

Now I have found it, the perfect gift
No more promises, I have to break
No more high expectations
No more long explanations
She'll cry, but just for awhile

Promised to give her what she wants, always have
Told her a story once again, breach of faith
Why, why, Santa?
I'm not wanted anymore
Thank you Santa!
I'm to blame
Bye-bye Santa!

What are my options?
I don't know the way to end my life
I know where I'm going... To Hell!

Why, why Santa?
I can't give her what she wants
Why, why Santa?
Your to blame
Why, why Santa?
I'm not wanted anymore
Thank you Santa!
I'm to blame!
Bye-bye Santa!
