I am your dark desire  
The one who comes with fire  
The one that's gunna make you scream  
Too late you will discover  
I'm much more than a lover  
On pain of fear, your evil dream

Now it's time for  
Fire! Battle! In Metal!  
I live for the Metal  
Metal! Screaming! In lightning!  
I fight for the metal and die for the metal

I am the evil soldier  
The mighty metal warrior  
The one you wish you'd never seen  
I am the king of darkness  
You are the scared and harmless  
I'm gunna take you fast as wind

Now it's time for  
Fire! Battle! In Metal!  
I live for the Metal  
Metal! Screaming! In lightning!  
I fight for the metal

When you think that it's over  
You will wake up and feel my breath  
I will force you to feel the pain again  
When the morning has broken  
You have fallen down and out  
But I still will come back for more

I am made for you  
You are made for me  
Fire!

(guitar solo)

Fire! Battle! In Metal!  
I live for the Metal

Metal! Screaming! In lightning!  
I fight for the metal

Metal! Fire! Desire!  
I live for the metal you die for the metal  
Fire!
